(*) Types of costs:

- OUR costs: The payer pays all the costs and fees and commissions, having to transfer the full order amount; the payer is charged the full amount plus the fees and commissions and cost of the entire process. At destination, no costs will be charged to the beneficiary.
- SHA costs: Payer and beneficiary share fees and commissions and costs. The payer's Entity will transfer the full amount and pay this total, plus fees and commissions, to the payer and the other intervening entities may deduct their fees and commissions from the amount received and will pay the resulting net amount.
- BEN costs: The beneficiary pays all the costs and fees and commissions. The payer's entity may deduct its costs and fees and commissions from the order amount and transfer the resulting amount. The other intervening entities may deduct their fees and commissions from the amount received by paying the beneficiary the remaining amount.

(**) For a **consumer account**, an annual equivalent rate of not more than 2.5 times the legal interest rate shall not be applied. A consumer account is considered to be any account whose holder is a natural person, and whose transactions are exclusively personal, rather than of a commercial or business nature.
